			and Admin for Apple, and several large corps over the years. Then Taught Computers/medical for Cabot College in San Diego, promoted to Director of Education. Opened three donut shops in San Diego before my wife and I left on our sailboat for 2 years cruising Central and South America. Settled in Florida for 9 years doing Network Admin, and then moved to North Carolina. Drove 18 wheelers for 1 year just for fun and I now own a photography business in Raleigh and am semi-retired.
